No. 10. Vol. 2. UNION CHESS FARE. DEC. 1959 - MARCH 1960.

EDITORIAL.

I must begin by offering a sincere apology to all the County Associations and subscribers to Chess Fare for this very late copy of the season's news. Three things have contributed to this: first my very heavy commitments in the Junior Chess World which have taken up most of the time at my disposal, secondly the extra duplication of committee notices and bulletins for the schools and Universities that had to be done with very little notice and thirdly an unfortunate contemps in mid January that kept me completely out of harness for a month and since has necessitated my going on half-time duty. I have decided I am not exactly in love with taxi-doors any more.

So if you will bear with me for the lateness of this issue I will try and make amends to you in another bulletin in a week or so's time bringing you all the news up to the end of April. Meanwhile this must be a mere list of county results from the beginning of the year up to the end of March.

A.E. Hopkins, Bulletin Editor.
