UNION CHESS FARE

NOVEMBER 1959.

EDITOR'S PREAMBLE.

It seems that the Union's policy of fixing matches between strong and weak chess playing counties is paying dividends for the so-called weaker counties. As suspected by the Union's Executive it is not the chess of those counties that is weak so much as the lack of being able to get first class practice. Provide this and the improvement follows. So in the results this month some surprising match totals are visible: Surrey being held by Oxford, Cambridge defeating Middlesex, and Bedfordshire's first win in three years with a 12½ to 7½ victory over Suffolk. It is all for the good when such things happen and we congratulate these minor counties on their successful efforts in team-building. Well done!

Lastly, as this is the last Bulletin which will be issued in 1959, may I on behalf of the Executive wish you all the compliments of the season and the best of best Christmases, to be followed by a prosperous 'Chess' 1960.

A.E. Hopkins.

A CORRECTION: Due to an incorrect report it was erroneously given that Mr. H.J. Benedictus was Buckinghamshire Champion, in last month's Chess Fare. Mr. Benedictus of course plays for Berkshire and I believe is the present Berkshire champion. The title holder of Buckinghamshire is Dr. E.N. Bramley and we hasten to correct any false impression that may have been caused. So sincere apologies to all concerned!

CHESS FARE: The next number of Chess Fare will appear towards the end of January and any news, ans especially games or unusual happenings that occur during the coming weeks, must reach me by January 15th in order to be sure of being included.

May I say that the October issue is already out of print so order any future copies well in advance. The price is 6d plus 2d postage for single copies.

JUNIOR NEWS.

ESSEX: The Inter-Schools Lightning Tournament announced in last month's issue duly took place on Saturday, 31st October at Durning Hall with the following result:

1. St. Bonaventures came first with 11½ points out of 12, their only lost ½ point being conceded to King Edward School.

They were followed by 2. Sir George Monoux First Team with 10 points equal with Brentwood School's first team. King Edward School who only lost to Brentwood's first team were 4th with 9½ points but they conceded three draws.

The 13 Schools taking part enjoyed the event very much and hope it will prove to be an annual affair for many years to come.

The Essex Junior Championship 1959/60 has attracted 17 entries played in three sections. The present holder, British Boy Champion, K.M. Oliff, is defending his title and it will be interesting to see if any of the other competitors can give him a close fight.

THE SUNDAY TIMES: The two finalists in the Zonal Stage of Section 'H' are East Barnet Grammar School and Culwood School, Bury St. Edmunds, Suffolk. The surprise was the elimination on handicap of Queen Elizabeth's School, Barnet by East Barnet Grammar School. The keenness of these young players to oust a stronger opponent is a lesson Senior Clubs might well note. There is no evidence of any spirit of defeatism. Each board is fought to the bitter end.

THE LONDON JUNIOR CHRISTMAS CHAMPIONSHIPS: Over 400 entries have been received, 63 in the Senior Section. It is being held in the School for Distributive Trades under the joint control of the London Chess League and the Chess Education Society. An innovation this year is the inclusion of two girls' sections - one for under 18's with 9 entries, and the other for under-14's with 13 entries. Need I say that any help that can be given in organising this event will be more than welcome. The date is Monday, 28th December to Saturday, 2nd January 1960. Offers of help should be sent to Mr. A.E. Hopkins, 46 Somerset Road, North Harrow, Middlesex. The need is urgent.
