UNION CHESS FARE.

FEBRUARY 1961.

FROM THE EDITOR'S CHAIR.

Since I wrote my last editorial influenza has made itself felt among the chess fraternity as among so many other sections of the community and match captains have had a more difficult time than usual in getting their quota of players for the scheduled matches. The Union Executive appreciates their efforts to honour their commitments and trusts that remainder of the season will be more rewarding for their continued efforts. The Committee would like to extend their sympathy to Mrs. Keeble, wife of the Kent County Secretary who has her husband, Mr. Harry Keeble, under Doctor's orders. We trust his return to normal health will not be unduly prolonged. Mr. and Mrs. Beaumont, the Surrey match captain, request me to thank everyone who has made enquiries as to Mr. Beaumont's condition after his car accident. I am glad to say a measure of slow improvement is evident and all hope it will not be long before Mr. Beaumont takes his place once again as skipper of the Surrey County Team.

In the face of all difficulties the play must still go on and as the season draws to its inevitable close Mr. Champ has sent for your benefit a preview of who the likely finalists are in some of the competition events. This will help the counties concerned to make a tentative arrangement with probable opponents. Details are given later but I know you would like it mentioned that Mr. Champ's effort to ease the work of match captains in the hectic rush of end-of season activity is indeed appreciated.

BEDS -v- SUFFOLK on FEB. 25th at Cambridge; BEDS. -v- NORFOLK brought forward to FEB. 11th at Cambridge. He also states that the Fleming Trophy match with Buckinghamshire was not played last year but trusts that some arrangements are being made for it to take place this season.

NATIONAL CHESS WEEK: Have you had and distributed your National Chess Week Brochures sent by the Hon. Secretary of the organising committee, H.O. Bidgood, 78 Downie Rd., Bilbrook, Wolverhampton, yet?

The National Chess-Week sub-committee wish to compile a National Register of Chess Celebrations which will be taking place and all organisers are asked to outline details with dates and forward to the Organising Secretary, Mr. Bidgood as early as possible.

The London Schools are holding their Annual Rally at Wandsworth on Saturday March 18th; Hayes are staging their annual Teenagers -v- Oldstagers display also on March 18th at Townfield School, Hayes, Middlesex. 105 young players under 16 will be matched against about 30 old-stagers taking on from 2 to 8 at a time in a simultaneous mass display. A prize-giving celebration will end the proceedings when winners of junior events during the season as well as the winners in the Chess Week afternoon get-together will receive their prizes. Many of the Hayes leading personalities have already promised to attend.

BATTLE OF BRITAIN TOURNAMENT 1961:- Entries for this years fight are only two short of the record number of 206 reached 1 years ago. The Committee on Behalf of the R.A.F. Benevolent fund wish me to record their thanks for the £32 received as donations apart from the entry fees. 42 entrants are taking part who live well outside the London area and 7 of the 204 entrants are under-16. The Editor of this Bulletin has been asked to get some information for the Battle of Britain Committee for next season's tournament on the possibility of running a purely Junior Under-18 Battle of Britain Tournament with a Junior Trophy. If Chess Secretaries will contact their Juniors and indicate to what extent there is a favourable response for such a project I shall be very pleased to pass on such information to the appropriate quarter. Please make this request a PRIORITY ONE in your diaries. The cause is too well known for further comment from me.

EASTER CONGRESSES:- SOUTHEND:- A four section event, 6 players per section to be held in Southend Municipal College from Friday 3p.m. March 31st to Monday afternoon, April 3rd. Full particulars and entry forms from J.A. Spiegel, 28a Boscombe Road, Southend-on-Sea, Essex. Closing date: 24th March, 1961.

Total Result on all boards: OXFORD: 14%. SURREY 16%.

Mr. Champ, the Hon. Tournament Secretary makes the following observations on the championship events as they draw to a climax:

In Championship SOUTH, Surrey have 5 points out of 5. Sussex with one match to play on 4/3/61 have 4½ out of 5.

In Championship NORTH, Essex have been reported as having won their last match against Herts; (the score of this match is not yet to hand), If this is so they are NORTHERN CHAMPIONS with 5½ points out of 6. Middlesex, even if they win their match against Cambridge, last reported at 8 all, can only achieve a total of 5 points.

In the Amboyna South Surrey have 3 points out of 3. Sussex have 2 out of 3 and could draw level by winning their match on March 4th. But unless this win is surprisingly large Surrey could still get home by a better 'goal average'

In the Amboyna North MIDDLESEX have won with 2 points out of 2.

A close finish like this is always exciting and keeps up interest right to the season's end.

Now that this bulletin is well under way once again we must make an appeal to all subscribers and committee members. If we are to continue successfully we need a constant stream of up-to-date news, results, letters &c. flowing in to the editor with regular progress reports from match captains and tournament organisers. Just send along the raw material and we will knock it into shape! Without news no publication can exist so a combined effort, please for next month's issue.

INDIVIDUAL COUNTY CHAMPIONSHIP: Entries are coming in rather slowly so in order to make the tournament self-supporting the closing date has been extended to February 28th. Entry forms from J.E. REDON, ESQ., 18 RIVERDALE ROAD, EAST TWICKENHAM, MDDX. Tel: POP 5964. ENTRY FEE: 5/-. ENTER NOW.

NATIONAL CHESS WEEK: This has been fixed for 13th-18th March, 1961 and the Hon. Organising Secretary is: H.O. BIDGOOD, ESQ., 78 DOWNIE RD., WOLVERHAMPTON.

At the last meeting of the County Executive Committee the following suggestions were put forward :

1. A match between Middlesex Juniors & Middlesex Seniors over 50-60 Boards.
2. A Lightning Team Tournament (Swiss) for teams of 4 at a convenient and central venue.
3. A proposed match (which could become an annual fixture) between representative sides drawn from Eastern & Western Zones of the Middlesex League.

It was decided that the Middlesex Seniors -v- Juniors was the most practicable of the three schemes and therefore this was adopted, the arrangements being left to Mr. R.G. Duce, County Match Captain.

(May I remind Middlesex C.C.A. that the LONDON SCHOOLS ANNUAL RALLY TAKES PLACE ON THE SATURDAY OF THAT WEEK WHEN THE LONDON SCHOOLS LIGHTNING TEAM CHAMPIONSHIP IS DECIDED A.E.H.)

This information was available to Middlesex C.C.A. on reference to page 5 of last month's bulletin).

The other two suggestions were thwarted by the problem of a suitable and cheap venue. It may still be possible to stage the East -v- West match mid-week if any of the participating clubs are willing and able to accommodate such a fixture over 16-20 Boards. If this event does materialise it may well prove immensely popular and very strong teams could be chosen (the top six boards could read if the players were available and willing to play: EAST: 1. R.G. Wade. 2. A.Y. Green. 3.T.A. Landry. 4. J.T. Smith 5. I. Alexander. 6. M.M. Wills. WEST: 1. J.A. Fuller. 2. D.E. Rumens. 3 N.L. Freeman. 4. G.H. Govas 5. D.E. Mabbs. 6. J.E. Guthrie.

MIDDLESEX ABROAD: A little praise to Middlesex players achieving successes in Congresses will, we hope, be a regular feature of this bulletin and though this time rather belated we would like to offer our congratulations to A.Y. Green for his creditable showing in the Hastings Premier at very short notice. In the Premier Reserves 'A' D.E. Lloyd was 4th, in the Premier Reserves 'B' Miss E. Tranmer was equal 3rd In the Premier Reserves 'C' G. Tanfield was 5th, while in the afternoon tournament J. Horrocks was =3rd.

To these also we offer our congratulations on their Hastings performance. Well Done!
