UNION CHESS FARE

SEPTEMBER 1962.

FROM THE EDITOR'S DESK.

This makes my 29th foreword to you and the commencement of a fifth year of Bulletins. During the past twelve months one county has been supplied with its own county news as an addendum to each S.C.C.U. Chess Fare. This started as a three-quarter page sheet but this month has demanded 7 full pages to meet its requirements. Increase of publicity must inevitably tend to induce more prospective members to your club and to the cause of chess. Why not a County News Bulletin with your copy of Chess Fare?

May I on behalf of the Treasurer - Mr. C.E. Williams, 10 Box Ridge Avenue, Purley, Surrey - ask would-be subscribers to send in their 4/6 subscription for this season's copies of 'Chess Fare, Volume 5'. The editor wants your news, your games, your criticisms, the treasurer wants your sub. Thanks in anticipation and do get one more subscriber from your club, please!

CONGRATULATIONS:

To Jonathan Penrose on winning the British Championship for the fifth time.
To Peter N. Lee, Middlesex, on securing the title of British Boy Under-18 Champion for 1962.
To M.J. Franklin who has won the Battle of Britain Tournament for the fourth successive year.
To D.J. Mabbs & 15 year old K.B. Harman for coming 4th & 5th respectively in the Eastbourne Chess Festival.
To West Ham for winning the National Club Championship
And to all the Union Players who managed to find a spot of sunshine at their holiday resort this year! Which reminds me that A.W. Bowen (Kent) & R.F. Holmes (Cambridge) shared the honours at Paignton.

COUNTY NEWS.

HERTFORDSHIRE: The Hertfordshire Match Captain, Mr. Berry, reports on the happy relationship between the players of the Hertfordshire Team this season. He wishes it to be put on record that J. Sharpe of Bourne End, & R.T.F. Williams of New Barnet had 6 points from their 8 county matches during the 1961-1962 Season, and that J.G. Coleman who played regularly against strong opposition on Board 4 managed to gain 5½ points. He says that although they knew they would have a tough nut to crack when playing against Yorkshire in the quarter-finals they were determined to put up a good fight and enjoyed the strenuous opposition they met very much even though as expected they lost.

HAMPSHIRE: The July Bulletin of the Hampshire Chess Association out in July gives the names of the newly appointed officers & Executive Committee for 1962/63 Season and is a great help to officials who have to deal with that county as they have no excuse for getting hold of the wrong person, or of communications being sent to the wrong address. It tells of the drive to encourage every club in Hampshire to affiliate to the county association and the S.C.C.U. wishes them every success in their effort to reach the 100% mark.

JUNIOR NEWS.

HERTFORDSHIRE: Too late for the May Bulletin was the comprehensive report sent by Mr. K. Woodland of Hertford's Easter Junior Congress, the tenth that has been won. 118 Competitors from 23 Hertfordshire schools took part the 1962 Under-18 Boy Champion being D.L. Levy of East Barnet Grammar School who gained 100% score in the Championship event for the R. Lee-Johnson Cup.

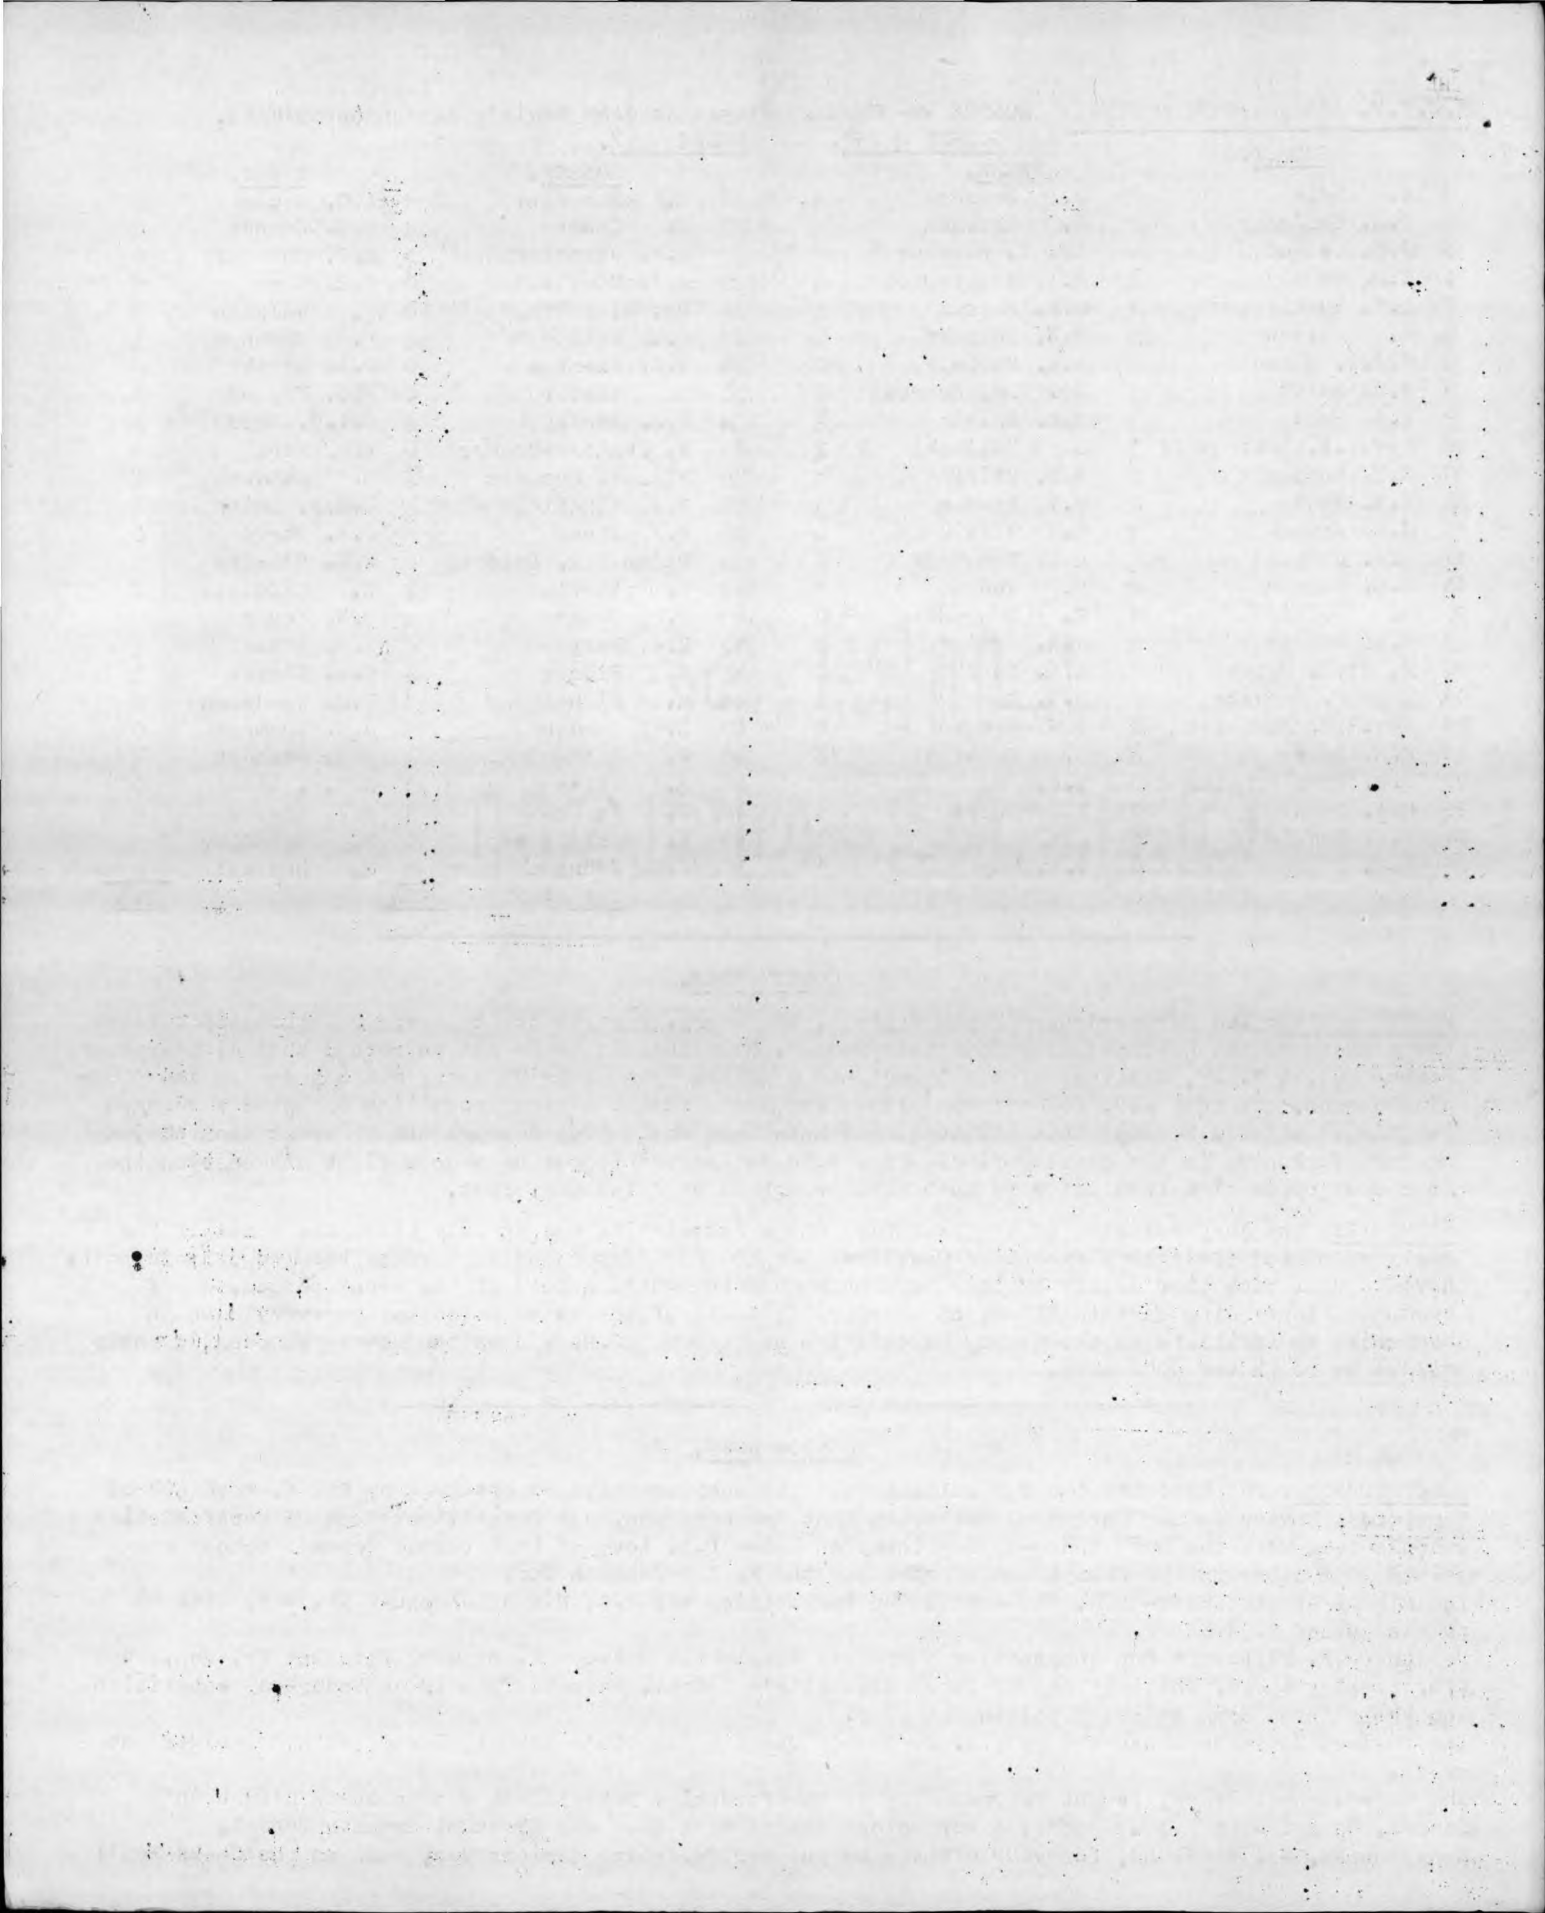

The winner of the Under-15 H. Guy Arnold Cup Competition was A.A. Nix of Cheshunt Gr. Sch. with 6½ points out of 8.

For the J.P. Flitcroft Cup competition there was triple tie between M. Bramer, Cheshunt Gr. Sch., and C.D. Stanley & J.W. Whiting both of Queen Elizabeth's School, Barnet. This is an Under-14 competition and these three boys gained 7 points out of 9.

The Novices Tournament was won by B.S. Weston of Queen Elizabeth's School, Barnet with 11 points out of 12.

The Inter-School Trophy fought for annually by Hertfordshire Schools was won by Queen Elizabeth's School, Barnet with a 30.7 score. A very close second with 29.8 was Cheshunt Grammar School.

Many thanks, Mr. Woodland, for your efforts to put Hertfordshire Juniors very much on the 'Chess Map'!

THE INTERNATIONAL UNDER-18 GLORNEY CUP COMPETITION:

The Brecon Boys' Grammar School, situated in the beautiful Welsh border country, provided an ideal venue for the 1962 event on Tuesday July 31st and August 1st.

Each country sends six competitors and one reserve and in England the four Unions send either two or one representative to make up this quota. P.N. Lee of Chelsea and A. Whiteley of Oxford represented the S.C.C.U. on the team playing at boards 1 & 2 respectively. Both scored 100% wins in the tournament and further on will be found the two games they played against Scotland, games worthy of any company.

The following is a bald result of the contest but does not do the least justice to the welcome afforded by our Welsh hosts to one and all. The mayor of Brecon, Councillor E.R. Morgan and Councillor D. Lewis, Chairman of the Brecon Education Committee were enthusiastic followers of the proceedings throughout both days and local families spared no pains to make everybody feel 'at home'.

England 3½. Scotland 2½; England 4½. Ireland 1½. England 5½. Wales ½.

<u>Total Games:</u>	<u>COUNTRY.</u>	<u>FOR.</u>	<u>AGAINST.</u>
	ENGLAND	13½	4½
	SCOTLAND	10½	7½
	IRELAND	6½	11½
	WALES	5½	12½

Mr. G. Roblin, the Welsh Junior Organiser, deserves great praise for the splendid arrangements that were made for the comfort of competitors and team managers of every country concerned. That it was deeply appreciated by the boys was plain for all to see in the expression of regret that they had to leave on the Wednesday afternoon seen on all faces. Irrespective of which country wins the Glorney Cup is eminently worth while. It provides the first stepping stone for a boy to represent his country in an International Chess event and is looked forward to with great eagerness by the best junior players in each Union. Next year Ireland will act as hosts to England, Scotland & Wales in Dublin and I feel honoured to have been asked once again to act as manager to the English team.

A.E. Hopkins.

NOTES BY THE WINNER OF ABOVE GAME.

- (a) 9 00 is possibly superior to the originally played 000 as White's King is safer on the King side whilst his attacking chances in the centre remain.
- (b) If 9.....PN4 then 10 BQ5!, PxB; 11 NB6, QN3; 12 PxP with a fierce attack.
- (c) Alternatively 10....PKN4; 11 BKN3, NR4; 12 BxKP!, PxB; 13 NxP as in Tal-Petrosian in the 1959 Candidates' Tournament, which game was drawn.
- (d) 11....NK4 begins the plan evolved by Larsen in the game Tal-Larsen, Portorozh 1958 to gain control of K4 and prevent PK5.
- (e) 12 BK2 as in Olafsson-Evans, Buenos Aires 1960 seems superior to 12 BQN3 as in Tal-Larsen since room is left for the advance of the Queen side pawns against Black's eventual Queen side castling.
- (f) 14.....QB2 is played in order to castle Queen side. If 14....000 then 15 NQ5 with advantage to White.
- (g) At this stage with, unusually for a Sicilian, White attacking on the Queen side and Black on the King side, White had less than 20 minutes to go to move 48 the time control. Black had only 5 minutes in which to make the next 24 moves. Both also knew that the whole match hinged on this game.
- (h) At this point Black picked up his Rook intending to play it to Knight One and then saw that White could play QQ8ch mating in two, so he hastily defended by RB1 thus losing a further pawn.
- (i) With 10 seconds to go Black leaves a mate in one on although the two extra pawns on the King's side should decide eventually.

(Later on in this Bulletin you will find another game between these two opponents played at Whitby in the Under-18 British Boys Championship but with colours reversed. Lee was destined to win this title but he didn't know it when the above game was played in Wales three weeks earlier)

As previously indicated the promised additional bulletin giving final results for the past season, together with brief details for the forthcoming season, is set out below. Since the last bulletin was prepared certain changes in the personnel of Officers of the Association have been made and you are asked to make due note of the following:-

SECRETARY: P.J. HOLT, 41 HAYES END ROAD, HAYES END, MIDDLESEX.

MATCH CAPTAIN: MISS E. TRANMER, 156, Gunnersbury Lane, Acton, W.3,

The latter will be pleased to hear from any affiliated members who wish to be considered for inclusion in the County Team, Club Secretaries are invited to send the names of members of their clubs, giving brief details of their playing strength.

A.F. Stammwitz.

INDIVIDUAL TOURNAMENTS:-

Championship: This resulted in a tie between H. Israel (hampstead) and D.E. Rumens (Cedars). The play off of four games is not yet concluded, but at the time of 'going to press' the score is $1\frac{1}{2}$ - $\frac{1}{2}$ in favour of Rumens.

Candidates: Section 'A' was won by P.H. Lee - who at the Annual B.C.F. Congress at Whitby won the British Boys' Under-18 Championship - Section 'B' was won by F.W. Viney. Lee won the play-off and thus qualifies to play in the Championship during the forthcoming season.

Wallis Trophy: This was won by W.F. Boyd. Section 'A' was won by P.J. Camminis whilst Boyd won after playing off a triple tie with S. Leff & H.C. Holme.

John Poole Trophy: This was won by C. Gardener, T. Dobedoe being second with R.G. Bellinger & J.L.A. Stone equal third.

We feel that all competitors who participated this year will have noted the great improvement in the organisation of the Tournaments under the direction of our new Tournament Secretary, John Coleman. We are indeed fortunate to have such an experienced organiser come to live in our midst. It is the Committee's intention that every affiliated member will be circulated with details of next season's tournaments well in advance of their closing date, and it is hoped that members will give every support to the efforts to popularise these events.

B.C.F. ZONE 'E' QUALIFYING TOURNAMENT:(Maximum 6 points)

1. N.H.S. Lavers $4\frac{1}{2}$; 2. J. Footner 4; 3. Dr. E.N. Bramley $3\frac{1}{2}$; 4. D.B. Pritchard & D.E. Lloyd 3;
6. P.W. Hempson 2; P.R. Wood 1; T.M. Wheatcroft withdrew.

FOR THE FIRST TIME SINCE THE QUALIFYING . COMPETITION WAS INSTITUTED NO MIDDLESEX PLAYER QUALIFIED!!!

SINCLAIR TROPHY: (Counties Correspondence Championship - 2nd Division)

Further on will be found the score of the Middlesex Team in this competition together with a short report from Match Captain, S.H. Crockett, Whilst it is very gratifying to know that we have obtained promotion after only one season in the lower division, our score was not what we anticipated as even with the somewhat weak team we should have won the tournament to have any chance in the higher company with whom we shall mix things next season. Therefore, the Match Captain's appeal for more volunteers from amongst the strong players is of major importance unless we are going to find ourselves struggling once again against relegation. Members of the County Team from the top twenty boards are earnestly asked to come forward to help the County to attain its correct status in the competition.

Final Result: MIDDLESEX $19\frac{1}{2}$. SINCLAIR TROPHY OPPONENTS: $10\frac{1}{2}$.

REPORT BY S. CROCKETT

(Middlesex Match Captain in Sinclair Trophy Competition)

After one season in the 2nd Division of the Counties And District Correspondence Chess Championship, Middlesex have won promotion to the 1st Division by scoring 19½ points out of 30 being equal second with Yorkshire II, Lancashire II having won with 20 points.

Whilst it is gratifying to have secured promotion, our score was disappointing and a great effort will be needed next season if we are to make ourselves felt in the 1st Division.

For those not familiar with this Competition it may be mentioned that each County participating puts up a team of 30 players who each play ONE GAME against a member of one of the other counties. The match starts on the 1st December each year any games unfinished on the following 30th June are adjudicated. The last two teams in Division I (Ward-Higgs Trophy) are relegated in the following season to Division II (Sinclair Trophy) and vice versa.

The Middlesex Correspondence Match Captain, MR.S.H. CROCKETT, 5 MYTTEN CLOSE, CUCKFIELD, SUSSEX, is anxious to hear from Middlesex players who would be willing to help the County in this match if required. This particularly applies to our up and coming younger players.

| 3 ATHENAEUM with 11½ games & 1 point. | 4. WILLESDEN with 8 games & 0 points. |

On the next pages will be found the League Teams and Fixtures for the coming season. Members of Clubs competing may like to have these handy so that they have a record of the nights when they can be expected to play their matches if selected.

We are very gratified to see three new clubs competing in the League during the season that has already commenced. It is also of some interest that in addition to these clubs two other clubs have affiliated for the first time. Last year the number of registered players was an all time record and this topped the best total of any one county in the country - previously held by Lancashire. Our ultimate aim is 1000 players. From the records I have received the total number of players registered by the County for the past season was:- ADULTS: 671, JUNIORS: 68.
