EDITORIAL

It is some years since the National Chess Centre closed and left the Union without a Metropolitan headquarters where up to a hundred boards could be played at one sitting. That the Senior Partners of John Lewis Partnership came so readily to our aid when help was really needed, is probably not known to many of our players of to-day. Nevertheless the move to Oxford Street and the excellent accommodation provided by the firm reached a significant signpost at the beginning of this month, when it was revealed that the 1st February was the 75th Saturday on which matches had been played there, and one hundred and ten matches (mostly County) had been played, and during that afternoon the ten thousandth tea was served! Thank you very much John Lewis Partnership. What a pity your pre-war Chess Centre and Club cannot be revived!

It was with regret from those present at a recent Council Meeting that news of the forthcoming resignation of S G R Champ as Honorary Tournament Secretary was made known. It will be difficult to find a replacement, but one must be found before the Annual Meeting in July. We hope that S G R Champ will find time to attend some of our meetings; otherwise we shall miss his quiet assessment of a problem and his persuasive manner in discussions.
