November 1964.

EDITORIAL

I would like to thank all those Match Captains who have forwarded me details of matches played, and I hope they will continue to do so. I would like BOTH sides to send in results, since I could then check up on some of the names. Most lists have the one side nicely typed out, and the other side filled in in manuscript, and what with scratchings out and so on, it is not easy to make sure of names. Names are essential if the players concerned want to have their records noted by the graders.

On the 14th November the S C C U Jamboree takes place and it is hoped that 20 teams, including some Junior sides, will take part. Details of the results will be published in the next issue.

The last issue, with the S C C U Grading List proved to be very popular, and many copies of the List have been sold separately, but in several instances, the selling of the list has brought in subscriptions for the Bulletin itself. This is very satisfactory, but I feel that more should be done in getting the clubs belonging to Counties to take out a Club subscription, and for individual members playing on, say, the top twenty boards in County matches, being encouraged to subscribe also. Interest in Chess is growing; membership of clubs is on the increase, but very few club players learn anything about the world outside their own club room, and many profess to have no interest in events taking place outside the parish! If chess players could be taught to take a greater interest in the County affairs, and in the Union organisation, and finally the British Chess Federation and its many activities, life would be a lot easier for some officials, and far more stimulating for many many players! Most clubs need more officials to take over some of the organisation, Counties are crying out for helpers to organise tournaments, issue Bulletins etc., and it is the same within the Unions and the B C F. Yet there must be many people who can help, and Counties should make appeals as widely as possible for any help they may need. Stenographers are wanted for meetings; typists are wanted for copying; accounts have to be kept and audited; letters have to be written to people on all sorts of subjects. Retired officials on pension have nothing to do? So they say before retirement! Get them interested in doing jobs. Wives who complain of "nothing to do" let them take minutes of meetings and type stencils and what have you. It doesn't need a good player to become a good helper!

The Kent County Chess Association, holding its first Easter Congress at Folkestone, have now decided to have some "open to all" sections instead of limiting it to players residing in that County. There will be four day events, with six entries in each section, a three day event (omitting Sunday) and a Junior Tournament graded according to age. Entry forms and full particulars can be obtained from the Congress Hon: Secretary, Mr. L Spain, 146 Gladstone Road, Deal, Kent (Telephone: Deal 784). The Congress Organiser will be Mr. J H McK Finch, the well known Canterbury and Kent player. April 16th to 19th - the Easter weekend at Folkestone-sounds attractive, doesn't it? And then on to Bognor Regis for the Thirteenth Bognor Regis International Chess Congress to be held at Butlins Holiday Camp from Wednesday 21st April to Saturday 1st May. There are eleven day events, over the whole period, including the Stevenson Memorial Tournament, the Premier Reserves, the Major and Minor Tournaments; six day events, covering Open Swiss Major, First Class, Second Class and a Speed Event (40 m p h). Play for these competitions begins on Monday 26th April; five day events from 21st to 25th April, similar to the six day events, and week-end events commencing at 7 pm on Friday 23rd April, with two rounds on both Saturday and Sunday.

Full details can be obtained from Miss H R Titcomb, Bridge Cottage, Godalming, Surrey.

The London Junior Chess Championships are being held at St Bride Institute, London E C 4 from December 28th (Monday) to January 4th (Monday). The Organiser is P E Morrish, 3 Elmside 55 Stoneyfields Lane, Edgware, Middlesex (Telephone: MILL Hill 1758) who would very much like to hear from anyone who wishes to help in the Controlling, or in any other way. If you are free during this period, even if it is only for an afternoon, a morning, or for a few hours, do please come along and help. Don't be shy; if you would like to help - get into touch with Mr. Morrish.

Very little publicity is being given to the details of the 16th Chess Olympiad at Tel Aviv. At the time of writing, it is clear that the three home countries have failed to enter the top pool in the final competition. The B C F team finished third in Group 4 in the preliminary rounds, and thus entered the B section in the finals, as also did Scotland, who finished 4th in their section. Ireland, alas, are in the bottom section. No details of games played by individuals have so far come my way, which is a pity, because with an interest in four of the players, I am sure that many chess players in the S C C U would like to learn how these players showed up.

In this country, an interesting tournament took place at Coventry over the weekend 7th/8th November, for the team and individual championships in lightning chess (ten seconds a move). The final results were pleasing to the S C C U. The winners of the team championship were New Ham and East London (otherwise West Ham), and second were London Cedars, Metropolitan were 5th and the Mushrooms of Surrey equal 7th. Entries numbered 26 and teams consisted of four players who played ten rounds. In the individual championship, M Macdonald Ross of Middlesex tied with B Cafferty of Birmingham for first place and M J Basman finished 4th.

I have seen no details of the result of the Bognor Regis Chess Tournament (40 moves per hour), held during the same week end.
