EDITORIAL

Coming back to the Editorial Chair of Union Chess Fare after an absence of several years, gives me great pleasure, and I hope to meet many old friends and make new ones as time goes by!

It is important - if the bulletin is to become a means of circulating the news of the Southern Counties Chess Union to club members throughout the area involved, and to let everyone know what is happening within the Counties and at the matches and Congresses held within our boundaries - that information should be sent to the Editor at an early date, giving the fullest details.

I make a special appeal to County Match Captains to send to me the results of matches played as soon as adjudications have been settled. DO NOT LEAVE IT TO THE OTHER MATCH CAPTAIN TO SEND ME A COPY. You know how to spell the names of your team; you may make mistakes with his names but not your own. So let's have copies from each!

Readers of the bulletin would, I know, like a "Games Section" If you have any games which you consider would be of interest, please send your score of the game and your comments to me and I will endeavour to give a few games in each future publication.

This particularly applies to the top board players who can by this means encourage other players to develop new lines of thought!

I saw with regret, the recent press announcement that there would be no Easter Congress at Bognor Regis in 1970. This will give much disappointment to many players in the Southern Counties and elsewhere. Mr Norman Fishlock Lomax has for many years accepted full responsibility for organising this Congress. This work has been very strenuous and worrying. For some time he has not been in the best of health, and this does not help to carry the burden alone. I am sure that all of us who have taken part in past Congresses at Bognor Regis will agree that for years we have had much enjoyment - thanks to his efforts, and we would like him to know that we wish him a speedy recovery to much better health, and we would like him to realise how much his hard work on our behalf in the past is appreciated by the many players who have enjoyed playing in the International Congresses at Bognor Regis. Thank you Norman!

The S C C U Grading List is now available - copies can be obtained from Mr J J Lauder (see above) priced 2s:6d. We really must say a few words of thanks to the County graders and to the S C C U team of experts (Messrs W A Cordon, H G Felce and E E Croker) who have collated the County lists into the Union list. Last, but by no means least - we should say how grateful we are to Mr G W Kilmister, MBE for his work in organising the duplication of these lists and preparing copies for circulation. Many thanks to you all!

MARLOW CONGRESS 1969

The September Bank Holiday weekend proved to be very popular for Chess players who were able to reach Marlow. One hundred and twenty players took part in the various competitions, and others found much to interest them in the games played.

The Masters Competition with six players, was, of course, the main attraction. In an all play all affair, the winners were R Keene and P H Clarke with 3½ points each. The results were:-

	1	2	3	4	5	6	Pts
1 (Keene, R D	X	½	½	½	1	1	3½
(Clarke P H	½	X	½	1	½	1	3½
3 Hartston W H	½	½	X	½	½	1	3
4 Milner Barry P	S ½	0	½	X	½	1	2½
5 Hollis A	0	½	½	½	X	0	1½
6 Adaway W G	0	0	0	0	1	X	

In the Premier Section (Swiss) there were 14 entries and M Singleton and D Walsh finished equal first with 3½ points each, whilst P V Byway; P Alton; K Hyde and R Presscott finished equal 3rd with three points.

Next came the Challengers Sections A and B with 12 entries in each. In Section A D Willmotts won with four points and equal second were R H Storr Best, D A Curtis and G Moore with 3½ points each. In Section B, four tied for first place with 3½ points each, E B Sandercock, W D Muir, R J Nash and I Fraser.

There were seven sections for the "Reserves" - each had ten entries and the winners were:

Section A	A R Lucas	4 pts	Section B	D Taylor	5 pts
Section C	S Robertson	4½ pts	Section D	M J Corney	5 pts
Section E	M Purser	4½ pts	Section F	B Cowan & C Slade	3½ pts each
Section G	L Pratt	5 pts	Late Open	Winner G Bennett	3½ pts

If any readers are interested in entering Chess Congresses and have not already done so, there will be several within our boundaries during the next few months. The most interesting, and one worth visiting to watch the play, is the Times-Hastings International Congress at the Falaise Hall from Monday December 29th to Wednesday the 7th January 1970.

There will be Congresses at Folkestone and Southend on Sea over the Easter Holiday period.

I should be glad to receive full particulars from organisers, so that I can give details in forthcoming bulletins.

Lancashire win on board count - 65-66!

Congratulations to Lancashire, but well done John Poole and his team. A very close match.

No news at all of what happened to Oxfordshire in their quarter final match! Nor is there any news of that county making a date with Middlesex to play off the S C C U Championship. A pity if it goes by default.

I have received the following reports and results from Mr B A French, who has, alas, had to give up the Editor's seat. The last issue of the Bulletin was No 67 of March 1969. Let me start off with some notes from the Cambridgeshire captain. In the match between Cambridgeshire and Bedfordshire, the names of the Cambridge players on boards 11 and 12 should read: 11 R M Slawinski and on 12 J F Parnell. I cannot give the names of the players in the match between Cambridgeshire and Suffolk played on the 18th January, because the Cambridge match Captain understands that seven Suffolk players defaulted, but he does not know which, "as I was busy playing!" A pity no result sheet came from Suffolk. Final score was

Cambridgeshire 18 Suffolk 2
