SUBSCRIPTIONS PLEASE! One by-product of the postal strike was that many members were unable to send us their subscriptions because the usual reminders had not reached them - many of these are being despatched with this issue and we ask for prompt payment to keep our records straight. J.J.L.

POSTAL STRIKE As the strike coincided with the issue of the January
Bulletin it was not possible to post any copies to subscribers until
mid-March, but some copies were distributed by hand and we should like
to record our thanks to all those who helped in this emergency. It is
hoped that this issue will reach subscribers during the latter part of
this month. J.J.L.

Mr A.J. Douglas writes:- The postal strike has obviously played
havoc with the despatch and receiving of results and adjudications, and
in order to try and limit possible difficulties the Tournament Secret-
ary has arranged for some adjudications to be done by a local person.

The strike also meant that, in some cases, adjudications could
have been submitted by one side only and obviously if the side whose
result did not get through accepts the claim they will be due to pay
the adjudication fee retrospectively. Similarly, if for any reason
they wish to raise any query, this will have to be done promptly on
receipt of notification of the results. It is stressed that the
games that have been submitted for local adjudication are only those
which directly affect a match result: the remainder have been sent to
Mr Self in the usual way.
