ADDITIONAL EDITORIAL

The Editor is happy to include in this issue five pages of match results. It is regretted that some counties have not sent in results of some matches and in some cases these have been published on the results given by one side only. If this has resulted in some names being mis-spelt, or initials incorrectly given, no doubt a quiet word from the player concerned to his Match Captain will produce better results in our next issue.

Subscription Rates: Annual Subscription (Single Copy) 35p. Extra copies of the September issue containing the Annual Grading List 20p post free; 8 or more copies may be ordered at 15p each. Enquiries for copies of the Bulletin should be addressed to the Editor, J.J. Lauder, at 37 Dora Road, Wimbledon. S.W. 19. 7EZ

The Bulletin is edited and distributed by J.J. Lauder, to whom all material for publication should be sent. It is produced by G.W. Kilmister, M.P.E.

SEPTEMBER (Grading List issue):

We are very pleased to be able to report that a further run-off was necessary and that over 800 copies have been distributed; our target is 900 and there is less than 100 for sale.

It is regretted that for reasons beyond our control the list did not include names from two counties; these have now come to hand and a supplementary list, together with a small number of corrections, will be found opposite this page.

One Correction to the report on the Thames Valley Congress which gave the name of the winner of 'D' Section in the Junior Event as M.J. Coogan - this player in fact shared first place with O. Phillips. We are indebted to the Civil Service Match Captain, Dr R.H.S. Phillips, for this correction.

The Editor has much pleasure in acknowledging copies of current Chess publications, including the Bulletin of the Midland Counties Chess Union, the county Bulletins of Lancashire, Bucks and Essex and a very bright Annual Year Book of the Slough Chess Club. This last-named publication includes a report of the performance of the team entered by the Club in the Slough and District SNOOKER Championship - clearly there is no limit to the efforts of an enterprising Chess Club!

SECRETARIES COLUMN:

The attention of all Club and County Officials, particularly those who are Match Captains or organisers of any form of competition, should be drawn to the publication of the Year Book of Chess 1971-72 which is now available. This issue contains a comprehensive list of Rules of no fewer than 16 competitions and also a seven-page article on the Grading System and exactly how it works, by Dr V.G. Jenson. Most Match Captains will find some help from the various Rules which are, for the first time, published in one volume. Many Club Officials will find the article by Dr Jenson a haven of relief when approached by any player who fails to understand how the Graders have arrived at the figure they have given for him in the current list.

Copies of the Year Book may be obtained from club and county officials, or direct from the Secretary of the B.C.F., G.H. Simmons, 75 Ferry Road, Scunthorpe, Lincs, price 50p or 56p post free.

The Annual Islington Chess Congress, featuring the Islington Open Championship and the Amateur Championship with the usual supporting Major and Minor Tournaments, will take place from 10th to 12th December at the Islington Green Youth Centre, Islington Green School, Prebend Street, London N.1. There will be several other events continuing until 23rd December and full details and entry forms are obtainable from Stuart Rueben, 54 Crouch Hall Court, Sparsholt Road, London N.19. His telephone number is 01-272-7944.

The 1972 London Junior Chess Championships will be held at the Sarah Siddons School, North Wharf Road, Paddington, W.2. from Tuesday 28th December to Monday, 3rd January, 1972. There will be seven different events and full particulars and forms are obtainable from Mr P.E. Morrish, 3 Elmside, Stoneyfields Lane, Edgware. HA8 9SG

O B I T U A R Y "A.P.H."

Millions of people heard with great regret of the death, at the age of 81, of Sir Alan Herbert, so well known to two generations for his writings and political work. Many Chess Players will wish to record our sympathy to his widow, Lady Herbert, who has graced many Chess events with her presence over the past twenty years.
