V.A.T. The Executive Committee at their recent meeting were informed by the Hon. Treasurer that the B.C.F., in conjunction with the Lawn Tennis Association, had appealed to the authorities on the liability of affiliation fees to Value Added Tax. It has now been ruled that such subscriptions, for various reasons, are not liable for V.A.T. and that the B.C.F. will therefore de-register on the ground that our non-subscription income will be well under the £5,000 limit. The actual decision on de-registration will be made at the next meeting of the Federation Executive and it can be expected that no increase in affiliation fees on this score will be needed.

BRITISH OPEN LIGHTNING CHAMPIONSHIPS

These events took place under the auspices of the B.C.F. at Pinebanks, Norwich, the Sports Club of the Norwich Union Insurance Group, on 11th and 12th of November. The team event was won by London Commercial with a score of 19½ from a field of 25 teams. Second place was shared by Cambridge University and King's Head with 18½. The Individual Championship attracted 52 competitors and was won by M.H. Horton with 7½ points from nine rounds. W.R. Hartston, D.I. Patrick and A.J. Whiteley tied for second place with 7 points and fifth place went to J.I. Simpole and O.M. Hindle with 6½. The winner is a member of the Gambit C.C., Nottingham.

SECRETARIES COLUMN

As most secretaries will be aware, the B.C.F. have decided to issue individual Membership cards to all registered players whose affiliation fees have been paid and remitted to the Federation Treasurer. The actual distribution of the cards will take place through county officials, who will then issue them to the clubs by whom the players have been registered. As over 8,000 players are likely to be registered the flow of cards to the clubs may be gradual. Enquiries in the first place from individuals should be addressed to the club treasurer by whom the appropriate fees should be forwarded to the County.

ACKNOWLEDGEMENTS

The Editor has received and read with interest the Essex 1972 Summer Bulletin and noted with regret the death of Mr N.W. Joyce, a one-time official of this Union and a tireless and efficient worker for chess in Essex. The Newsletter of the Midland Counties October 1972 edition and the Surrey Chess News of that month have also been received, together with the December 1972 issue of the N.C.C.U. Bulletin and the Grading List of that Union.

ANGLIAN WEEK-END TOURNAMENT

This will take place at the University of East Anglia, Norwich over the 5th-7th January weekend and is intended to produce a further winner who will be entitled to enter the Grand Final of the Anglian Weekend Tournament to be held later in 1973. In the Grand Final the first prize will be £100 with £40 and £25 for the 2nd and 3rd places. Entries to P.M. Hodgkinson, Station Road, Thetford, Norfolk, Phone Thetford 4330, who will supply further details on request.

Now that approximately half of this season's matches have been played, we can now look at the 'half-time scores' in some of our competitions. The most interesting table is perhaps that of the Montague-Jones, which includes the Minor Counties event and in the following table the five M.C.C. counties are placed in the first five lines:-

ISLINGTON CONGRESS

This Congress proved to be the biggest in England to date, attracting 1,250 players, no doubt attracted by the big prize money from the sponsors, The Evening Standard.

R. Bellin won the first prize of £250 with a score of 6 out of 6 games. M.J. Basman and others shared 2nd place with 5 1/2/6 but unfortunately details are scarce.

However, Congratulations must go to S. Rueben for having produced a clear winner in this huge Tournament, lucky or not. (G.W.K.)
