GRADING LISTS

Mr B G Locke writes:- "Some grading results for the Government Chemists were not sent in, in error, and having included them the following Government Chemists players shown now achieve the following grades. Where a grade was published before, these correct the previous figures, but in most cases the grade shown is freshly published.

|                  |                  |                 |

The Tournament Secretary, Mr A J Douglas writes:-

"Unfortunately I shall be out of the country on business, from about 23rd November until 12th December. In order to reduce any delays in dealing with adjudication claims during that period, Match Captains should send their claims direct to the BCF Adjudications Secretary, Mr G D Self, 'Kintail', 115 Tumulus Road, Saltdean, Brighton, BN2 8HG, together with the appropriate fee (Cheques should be made payable to Mr Self).

Match Captains should make absolutely sure that the name of the County and the team is clearly shown on the position submitted.

Mr Self will return all results to the Tournament Secretary who will record them and distribute them as soon as possible, on his return to UK.

In his final term of office the Editor has much pleasure in presenting the first instalment of the prime raison d'etre of the Bulletin: the results of our inter-county matches, the classified results:-
