The S C C U is about to lose several of its present office holders and I would appreciate it if anyone who would be interested in taking on work at Union level would get in touch with our Hon. Secretary, Harold Bitton, whose address appears in the heading of the Bulletin, or myself.

David Eustace is resigning as our Junior Organiser and Bryan Threadgall and his wife as our bulletin producers (typing and duplicating). Mr J J (Harry) Lauder has already announced his own resignation as stated in the January bulletin and his work involves distributing as well as editing the Bulletin. Eric Croker wishes to give up his work as our junior grader and whilst we are exploring the possibility of coping with this by computer, there will be a great deal of administration involved as well.

If you have editorial or administrative talents, please don't be backward in coming forward. We will always be prepared to divide a job or even alter it to fit your particular abilities and wishes. Alternatively if you know of someone whom you think we should approach, please let Mr Bitton or myself know.

Brian G Locke,  
President.

B C F Reorganisation Proposals

The Federation have circulated to county and Union officials details of the proposed finance-through-grading suggestions. These were available at the March meeting of the Union Executive committee, who heard several divergent views from members and decided to appoint a sub-committee to look at the suggestions and report their findings to the next meeting in May.

Meanwhile the last date for submitting amendments to the Constitution to be altered at the 22nd April Annual Council Meeting, will be 1st April. Nominations for the various directorships must be made by that date and may only be made by members of the Council, on which body each county has one representative.

ACKNOWLEDGEMENTS The Editor's limited leisure moments since our last issue have been in no small degree enlightened by the contributions from the following contemporary publications:-
