EXECUTIVE COMMITTEE

The Executive met on Friday 17th January and Friday 7th March 1986 at St Brides. 13 and 16 attended. (Two Executive Meetings for the price of one. The sub goes up next time.)

(1) Grading. The Grading Secretary reported that the London and Middx Leagues had agreed to pay £25 each towards the cost of the supplementary grading list. (It was largely through late results from these leagues that the supplementary list became necessary.) The supplementary list was ready to go to the BCF computer. It emerged at the second meeting that the WECU had met unexpected difficulties transferring their data electronically, but had buckled down and done it by hand. The NCCU, for unspecified reasons, had been slow (data still not received 7.3.86). It was hoped to have the Master List ready about mid March, a good bit later than planned.

The Executive looked briefly, and not very productively, at the BCF contract for graders using computers.

(2) County matches. The Controller said things had gone fairly smoothly so far (though Oxon had sent no results to him). There were no unresolved disputes. A certain team had fielded the same ineligible player twice, despite being duly penalised the first time. (They were duly penalised the second time, too.) Kent's appeal in the matter of RW O'Brien's eligibility (see last issue, page 5) was upheld by the appeals committee on the 28th January. There had been 46 adjudications to mid January, and one (successful) appeal.

The rules sub-committee, which is the same as the appeals sub-committee, has been working on proposed changes to the tournament rules. They are mostly a tidying-up exercise, and the Executive is still at work on them.

The late-season inter-county KO (U180) has entries from all Counties except Cambs and Surrey.

The unofficial "National Third Teams Championship" looks like going ahead. This, if you remember, is a match between our Champion and the MCCU one.

(3) BCF matters. The Legal & General sponsorship for the National Club Championship will not be renewed. Expected deficit is huge; whether on the National Club Championship itself or on the whole range of National Club events put together, your Editor does not know. Both, most likely.

The BCF will seek an increase in the County levy from £95 to £110 per point. The juxtaposition of these two items is accidental.

The Greater Manchester Affair has been settled out of court! Sanity prevailed at the last minute, apparently. The Bulletin is vague but gathers that some sort of referendum is to be held in the area in question (and don't ask us which area that means). Costs to the BCF have been minimal.

The Executive considered an SCCU paper on grass roots publicity for the BCF. You will excuse us a detailed report: the Bulletin has never been able to work up much enthusiasm for grass roots publicity.

One County had asked the SCCU to press for the restoration of travel grants in BCF-stage County matches. The Executive felt that such things would be better done on a Union basis, to escape the VAT trap. It was suggested that board fees could usefully be replaced by entry fees.

(4) Junior matters. Two financial items: Someone remarked, apropos of something or other, that the Union never seems to get any budget or accounts from the organisers of the Lloyds Bank/SCCU Junior Championships, although we do contribute money to it. It was agreed this should be rectified. And the recent training event at Highbury had run up a deficit of £111 (122% over budget!). The Treasurer thought this was acceptable. The BCF would like the Union to run two of these training events per year.

There were still (7.3.86) no nominations from the Counties for BCET Schools Awards. There is time to put in a late nomination, but make it quickish. (Write to Peter Morrish). There were no nominations in the SCCU last year, and may well be none again. This is not necessarily a bad thing. BCET Awards are for outstanding achievement over a reasonable period of time, and nominations should not be made lightly. As someone remarked, schools chess has been badly hit anyway by the protracted teachers' dispute.

(5) Executive Committee. Suggestions were made for streamlining and/or democratising the Executive Committee. The perceived problems are that (a) the Executive is too big to function efficiently if everyone entitled to attend does so; and (b) the Counties have no official delegates.

The Executive comprises all Officers, plus up to ten other members elected at the AGM, plus up to three co-opted members. In addition the (only) Life Vice President has always been invited to attend, though he has never done so since he relinquished his other office. Since the number of Officers is not limited by the Constitution, neither is the size of the Executive Committee. At the moment it has 22 members. Attendances are usually around 15, which has never (to your Editor) seemed unacceptable. 22 would.

After consulting the Counties and getting (we think) one reply, the Executive resolved to propose new rules replacing the up-to-ten extra members by County delegates, with each County having the right to nominate one representative for each meeting. (The Bulletin suggested this in 1973. What the Bulletin thinks today...) It was also resolved to propose a steering committee consisting of the President, Secretary, Treasurer, Junior Organiser, County Match Controller, and one other. These proposals may be made at the 1986 AGM if there is time to prepare draft rules.

We may, incidentally, have found a Publicity Officer. An approach has been made to the Executive by a possible candidate for the job.

LETTER

19th January 1986

Dear Mr Haddrell,

In your various comments on FIDE and SCCU rules I cannot recall your having raised the question of chess equipment.

In an away county match yesterday the majority of the boards were of the cheap roll-up variety. Unfortunately they had not been rolled up very expertly with the result that playing surfaces were more like the Rocky Mountains than a chessboard. Pieces placed on certain squares stood at crazy angles; on the board next to me one player's third rank had been creased to form a half-inch high battlement to add to his defences.

In my view provision of equipment in this condition is an insult to visiting players and ought to be stopped.

Yours sincerely,

Alan Cox

Reading

Dear Richard,

...Will the World Championship in August be of sufficient importance to warrant space in the Bulletin?

Yours sincerely,

Stewart Reuben

We have also received a letter from Bryan Fewell arising out of the review last time of the chess computer "Excellence". Mr Fewell bought an "Excellence" about the same time and it broke down within a few days. To summarise his letter: He decided to ask for his money back. The refund on his credit card transaction took such a long time that he incurred interest charges of £3-odd, and Competence were not very quick to refund this plus the postage charges incurred. We understand that the matter has now been resolved. (Our own "Excellence", which we kept, is still working.)

LLOYDS BANK sponsorship will be £34,000 in 1986 (its eleventh year). The Problem Solving Championship for 1985-6, which attracted 3221 entries, was concluded in London on the 1st February. The thirteen qualifiers for the Final had ten problems to solve in 2½ hours. Results: 1 AJ Mestel 23/30; 2 NA McLeod (Ross on Wye) 17; 3 D Friedgood (Enfield) 17; 4 CJ Lennox (Isle of Mull) 14; 5-6 JR Coward (Harrow), TG Pollard (Wallingford) 12; 7-8 DP Bonner (Street), GR Carew (Bronley) 10; 9 AJ Roycroft (NW London) 9; 10-13 D Carew (Hove), PH Clarke (Bude), G Hall (Manchester), C Shephard (Sheffield) 7. Some of the problems were pigs, as you can see from AJM's score.

JUNIOR NEWS

SCCU UNDER 14 JAMBOREE 25.1.86

Boards 1-10 played one game each (scores doubled); boards 11-30 two. An innovation was the inclusion of a combined team from Berks/Bucks.

Dear Mr Haddrell,

...As a point of interest, is there any precedent or principle governing defaults in junior matches? I always assumed that it was customary to default the bottom boards if there was a shortage of players, subject to the obvious need to leave gaps for latecomers and include reserves if possible. I refer to the Essex v Surrey junior match (at which I was not present) and leave you to draw your own conclusions.

Clint Mann (Essex Junior Organizer)

LLOYDS BANK BCF SQUAD/SCCU JUNIOR CHAMPIONSHIPS have run into venue difficulties. As a result, the first (mid-March) session which was to accommodate the U21/16/12/10 has been cancelled, and all events will be held 11-13 April at a new venue: the City of London Girls School at the Barbican. Printing of entry forms has been delayed, though they are now ready, so please pass this information on to anyone you think may be concerned. Qualifying standards (not necessarily published grades) are: U20/21 185; U19 180; U18 170; U17 165; U16 155; U15 145; U14 135; U13 125; U12 115; U11 100; U10 85. Girls: U13 110; U14 70. Players with BCF junior ratings meeting these standards should be invited automatically; others may be nominated by Counties, or by individuals if they can provide evidence of good current results. Nominations to Peter Morrish. The BCF junior ratings, unfortunately, are not published. If unsure whether a player is likely to be invited, either make sure your County junior organiser knows about him, or nominate him yourself!

The Essex team was deliberately weakened, but still outgraded its opponents. Berks board 3, on the other hand, "found himself obliged to play two games at once, as he was brought into the Berkshire senior side to deputise for an absentee"(!) The match was played under normal County rules, and we have been asked whether it will be graded automatically or whether specific steps have to be taken. We suspect the latter. The safest thing would be to ask the SCCU Grading Secretary.

WEALD OF KENT JUNIOR at Cranbrook 3.3.86 attracted a much more sensible entry of 90-odd but we haven't received the results yet.

"TIMES" SCHOOLS KO, First Interzone Round (SCCU teams): Aylesbury GS v Magdalen College School; Forest Hill School (Sydenham) v Bedford Modern School; Tunbridge Wells Boys GS v Sutton Manor School. Byes: Haberdashers', Trinity School. 24 teams remain. The grapevine has it that St Pauls School (London), the holders, were defaulted under protest in their Zone Final after calling off the match because half their team were ill.

Sussex were to have played but cried off because of the snow (remember that day?) and the draw had to be hastily re-arranged. Kent qualify for the National Minor Counties competition and last we heard they intended to play though the opposition is going to be very weak. It appears that expenses for qualifying teams to go to Birmingham will not be met in full by the BCF/NatWest, and the SCCU will try to help out of its funds.

(Seems they won't be fed either: "bring your own food" is the order of the day.)

The Bulletin apologises for giving some first names in full and not others. Space is the culprit. Peter Morrish provided all the first names, in the knowledge that that was the only way we would print the girls' ones.

They keep sending us handouts on the Oakham School Junior (Under 21) International, but without saying who's in it. Forty-eight players, anyway, including Niaz Murshed of Bangladesh who won the inaugural event in 1984. The tournament takes place 2-10 April and is "already being billed as" the world's richest and strongest junior event ever.

Correction

AE In the last issue the result Middx III v Surrey III 16.11.85 was wrongly ascribed to Middx IV.

ADJUDICATIONS from last two issues

W Essex II 9 11 Kent II 14.12.85: 1 Myall 1 Smart; 16 Rahaman 0 Pitt (and Kent's board 14 is eligible again)

Adjudication results on the following pages were up to date 11.3.86.

A note on names: Occasionally a match captain will give a player's first name in full and when this happens I tend to follow suit on the assumption that it is to avoid confusion with someone else. (Unless, of course, it is obvious that the only reason is that the player is a woman; in which case she gets her initials like anyone else.) If you give all the first names I will edit them down, for reasons of space and uniformity, to initials. There is a danger that I may in the process introduce confusion, though I try not to. If confusion lurks, try to make it clear. Underline the first name, or something. And give any other initials as well as the first name.

Try to be legible. Typing doesn't help if the carbon copy you send me is almost indecipherably faint. One was, this time. Written capitals are not always clearer than small letters. And if you do write in capitals, make it clear which letters really are capitals. Macdonald? MacDonald? de la Mothe? De La Mothe? The Grading List may not care, or perhaps it will now it's got a new home, but the Bulletin does.

Two games from the current Legal & General Chess Club Championship:

White LJ Smart (Lewisham), Black JM Hodgson (Streatham & Brixton)

1 c4 e5 2 Nc3 Bb4 3 Nd5 Ba5 4 b4 c5 5 bxa5 cxd5 6 e3!? Nf6 7 Qa4 dxc4 8 Bxc4 Nc6 9 Nf3 e4 10 Ng5 d5 11 Bb5 Bd7 12 O-O h6 13 a6! (Now W gets a dangerous pawn on the seventh but B seems to have counterplay against h2.) 13...hxg5 14 axb7 Rb8 15 Bxc6 Qc7 16 Bxd7+ Nxd7 17 f4! (The winning move) exf3 (If 17...gxf4 18 Rxf4 g5 19 Qd4! Rxh2 20 Kxh2 gxf4 21 Ba3 fe+ 22 Kgl Nf8 23 Qh3 Kd7 24 Bxf3 should win for White.) 13 g3 Rxb7 19 Ba3 Qc4? (A blunder in a probably lost position) 20 Racl 1-0

White A Potts (Maidenhead), Black JG Cooper (Kings Head)

1 e4 c5 2 d3 e6 3 Nd2 (An unusual move order but likely to lead into the Kings Indian Attack) 3...d5 4 g3 Nc6 5 Bg2 Nge7 6 Ngf3 g6 7 O-O Bg7 8 Re1 h6!? (So that 9 e5 can be met by 9...g5! followed by ...Ng6 to win the e pawn.) 9 exd5 exd5 10 c4 O-O 11 cxd5 Nxd5 12 Nb3 b6 13 d4 c4 14 Nd2 Ba6 15 Ne5 Nxd4 16 Ndx4 Bxc4 17 Nxc4 Rc3 18 Ne5 Nb4 19 Bh3?! Nbc2! (Now 20 Bxc3 Nxe1 is decisive.) 20 Re4 Qd5! 21 Rxd4 Nxd4 22 Bxc8 Rxc8 O-O (If 23 Nd3 Nf3+ 24 Kf1 Rd8 25 Ke2 Ne5)

GLC CHESS CHALLENGE at the Great Eastern Hotel, Liverpool St EC2 runs from the 11th to the 27th March (rest days 15th, 16th, 21st, 26th) and is open to spectators @ £3 daily. Play is from 1 p.m. to 6 p.m. Reduced fee of £1 after 4 p.m., or any time for students/OAPs/UB40s. (They tell me UB40s are the unemployed. Why not say "unemployed"?)
